# **ABOUT CSI STUDENT CHAPTER AT SNJB COE**

The **SNJB's CSI Student Chapter** was formed in 2009 in the spirit of providing students resources and contacts needed for the enhancement of their professional development. CSI membership provides many programs and presents yet another chance for students to stay a step ahead on the path to their chosen fields.

Chapter hopes to create an environment where all students can learn to effectively develop and use technology both for improving their own career prospects and for the benefit of humanity.

It has been playing an effective role in shaping and developing responsible Engineers of tomorrow. It has been conducting regular training programs like group workshops, seminars, Contests, industrial visits and a lot more. This website contains a record of all the activities of the Student Chapter.

## **OBJECTIVES:**

- Exposure with Industrial Professionals to groom a career path.
- Certification and Training Programs at Discounted Rates.
- A Great Chance to be nominated as the Best Student Paper in CSI Communications.
- Opportunity to be nominated Professional Award.
- Inducing and Inculcating Leadership Qualities.

## **OUTCOMES:**

- Students will be recognized by CSI membership identity card.
- Student's knowledge will be enhanced through technology update activities under CSI.
- Students will be able to publish and access technical articles through CSI magazines, newsletter and conferences.
- Leadership and team work qualities will be developed among students.
