Good

Good

No any suggestions

All good

No suggestion

.

Nothing

.

...

2nd year is better than 1st year

Nice. Thank you for everything teachers.

practical knowledge should be more then theorotical.

no suggestions

Practical knowledge should be given

All things are very good in this institute

My observation is that the teaching and learning experience in our institution is very great.

Not do anything

None

It's overall nice than other institutions

Communicate with the students is so friendly so the students doesn't hesitate to ask any questions.

All good👍

More clinical cases exposure will be Great

Nothing much!

The teaching and learning experience is too good in our institute no need to improve

It's sufficient nd effective the way it is.

Teaching is well and good enough

No any suggestion

Good ...do more better than this

Best college

The teaching was very good

Teaching by staff is very excellent

Every thing is good

All good

Teachers are excellent and I'm not that much capable to judge them .they do their job with great efforts and I really appreciate it. But often I feel that non teaching staff are sometime unnecessarily rude even though we are respectful .

Overall it is good

Every thing is perfect

Well...good

All Excellent 🍌

All are good

Very helpful to the study learning... Increase confidence and interest in the study

Sufficient . All teachers are supporative

The learning experience of students in lectures is usually great but in the clinical or practical classes, more focus should be given to practical scenarios rather than theory and various methods of active learning should be implemented.

As a student, I find the overall teaching-learning experience to be positive, but there is room for improvement.

Gives more explanation.

All good 👍

Not necessary

Teachers are very helpful, encouraging and kind

More clinical Experience is great for student learning

Use green board in that digital board insted of white board

NO ANY

80- 90% teachers have good teaching but most of the teachers do partiality in students during viva.they give good marks only to selected students.

Over all teaching staff is excellent and my experience is v good

Excellent

In practical classroom there should be more practical case taking rather than only theoretical teaching. We should get more practical exposure mostly in hospital visit

Give us more clinical exposure

None

No need

No improvement needed.

Theory based teaching is best but Practical teaching must be improved

No need to change

No any

All the teaching methods are very good and understandable. The only request is to conduct the informative lectures about above Career leaning after BHMS. Afterall all is good 👍

Overall learning experience in our college are very well

Very good experience

Second year is better than first year

Its good.

Overall teaching is good

2nd year is better than 1st year

No any suggestion

The teaching is excellent and teachers teach will example etc

Jdgdns ka zz

Be fair with every student don't be biased

Everything is good

No need to change.

Everything is thing

No any suggestions because the teaching staff is all good

Nicee

It's good

All good but there is room for improvement.as student I find the overall teaching learning experience to be positive 👍

1 active learning method 2 regular assisment and feed back3 clear communication

No suggestions

Good teaching

Everything's good

Everything is excellent

Nothing else

They are just teaching for the sake of it

All teachers are excellent and taught us very deeply and knowledge information

Everything is good

Not any

Give less assignment, tutorial, seminar, journal,project to get more time in *SELF STUDY*

No any suggestions.All are excellent.

No need to suggest any improvement because our all teachers better knows everything about everyone and they have a great experience how to teach the students they treat us as own child

Very well

Teaching methods are good

Not any

Tech the topic asked related question for students

Target the weak concepts of students
