

4.5.2 (QIM) there are established system and procedure for maintaining and utilizing physical, academic and support facilities -laboratory, library, sport facility, computers, class rooms etc

Describe policy details of systems and procedure for maintaining and utilizing physical and academic support facilities within a maximum 500 words.

When individual departments require any civil engineering or electrical work to be done, they send in their requests to the CENTRAL OFFICE, which immediately attends to the same. Any major repairs which require financial expenditure are first sanctioned by the Principal and then forwarded to administrative officer. For Equipment Maintenance college done contract with technician who Cater to all the repair calls of equipments. All equipment which is sensitive is covered under Annual Maintenance Contracts and Comprehensive maintenance contract. For other services, Tenders are floated and annual rate contract is finalized with the service provider and Trouble free service is ensured.

All the buildings are insured for fire and lightning damage every year.

A designated post of Superintendent (Land and Building) exists. He looks after the estate of the institute. He works under the overall supervision of institution The Chief Administrative Officer ensures that there is no encroachment of the land. If there are encroachments he takes the help of the Security Officer to remove them.

The infrastructural facilities of the Institute are maintained by the Maintenance Department, this is headed by Mr. M. G. Kothari. Maintenance department of SNJB looks after the maintenance and repair of buildings, Classrooms and laboratories throughout the year 24x7. Adequate staff is Appointed for maintenance.

- Gardens have been developed wherever vacant space was available in the campus. The whole campus is under green cover and no space is left open without tree cover except roads and lawns.
 - Building painting and repair is undertaken once in 5 years for Maintenance of the buildings.
 - Pavement blocks and concreting is undertaken for maintenance of free open space which also doubles up as parking space when required.

Parking sheds have been constructed at various places so that vehicle are not parked haphazardly. Well equipped library available in college. There is a library advisory committee comprising of nine members, including the

Principal, Librarian, Faculty representing pre, para and clinical departments. The advisory committee reviews the working of library, takes decisions on policy matters, making the library more student friendly.

Friendly, annual expenditure, budget allocations for books to different departments and planning on future development.

The following measures have been taken to make the library student friendly:

- The MUHS Digital Library is open access online for all users on the campus wifi. Digital Library of Maharashtra University of Health Sciences (MUHS) Nashik is available through <http://www.muhs.ac.in/dl/j.asp>
- Various book bank schemes are available for the economically weak students under which text books are given to the students for their whole term. Details

Sr. No.	Scheme	Available Books	Number of beneficiaries	Number issued per student
1	MUHS Book Bank Scheme for Economically Backward Students	354	78	01 set
2	Social Welfare Dept., Govt. of India For SC/ST students those who are beneficiaries of Govt. of India Scholarship scheme and income of whose parents' are not exceeding 20000	4316	52	01 set for 02 students
3	Needy Students Library for all Students	18	18	18

The library staff is trained to help enhance the user experience and make the library more accessible.

- Mr Vijay Bagul attended one day state level seminar on "Electronic information sources and services in college library" on 31st January 2015 at arts commerce, science college Saikheda .
- Librarian has done 20 days course on "Department of Library and Information science " has been held by MUHS from 31st march 2004 to 20th april 2004 .
- Mr V.T.Bagul has attended state level conference on Emerging trends and enovation in academic library services held on 25th and 26th sept.2015.

Librarian attended T10KL workshop "koha and library automation held at NDMVPS K.B.T College of engineering nashik on 12 th oct 2018

Digitalization of Library (E-library):

Digitalized the library is in progress and in future we are going to make provision accessible online to all members - faculty, students and staff,

thesis- 29 e-journals (foreign)- No , videos- 27 CD -

In addition to this clinics, dictionaries, atlases, question papers, MUHS Syllabus for undergraduates & postgraduates is available in library , SNJBS NEWS BULLETIN ,COLLEGE BULLETIN ,COLLEGE SOVINOER IS available in library

Working Hours: The Central Library & Reading Hall opens all days including Sundays & Holidays except national holidays.

Other services

- Free Internet for all members.
- Video / CD section
- Access of old precious journals archiving & can access since
- Aesthetically pleasing reading room
- Reading Room capacity for students
- Photocopying facility available at subsidized cost

Library automation

- library is automated using integrated library management system (ILMS) -SNJB academic ERP

Algorhythms Consultants Pvt. Ltd.,) for automation with th

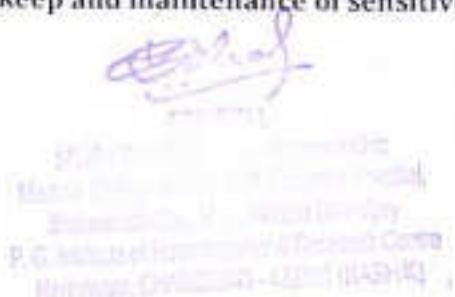

Maintenance of the equipment:

- IT infrastructure is maintained and repaired in-house.
- The maintenance of other equipments, for minor problems the respective technical assistant tries to resolve it and otherwise repaired through external agency.
- Lab in-charge at the department level monitors and supervises maintenance done by external agencies

The frequency of calibration of the equipment/instruments are done as and when needed basis. The calibrations of the instruments are done by the respective equipment suppliers or concerned company

the major steps taken for location, upkeep and maintenance of sensitive equipment (voltage fluctuations, constant supply of water etc.)?

The major steps taken for location, upkeep and maintenance of sensitive equipments

Are

- Logbooks, dead stock register are maintained for sensitive equipments.
- Sensitive equipments are located in a safe place of the Institute, routine checkup is also followed.
- Fire extinguisher are refilled and checked before the expiry date.
- AMC is followed for all critical equipments like lift, generator etc.

Maintenance of academic infrastructure facilities

- The sanction load of MSEB to the Institute is 11kV HT power supply with 3-phase line. In addition, Institute has own automatic voltage control transformer of capacity 500 kVA.
- The Institute also has two diesel generators of capacity 320kVA and 140kVA.
- UPS of rating ranging from 3 to 20 kVA are also available in all computer labs of all departments.
- Circuit breakers (E.I.CB/MCB) are provided to protect sensitive equipments.
- Water supply (25,000 lit/day) from Chandwad Nagar Panchayat and bore wells situated at different locations in the campus ensures constant supply of water.
- For storage of water, underground water tank is available. From this tank, water is supplied to RO and purifier system situated on terrace.
- Purified water is supplied to water coolers installed at each floor.

Any other relevant information regarding Infrastructure and Learning Resources which the college would like to include.

Fire fighting system:

- Fire extinguishers are provided in laboratories and passages in the department.

Any other relevant information regarding Infrastructure and Learning Resources which the college would like to include.

Fire fighting system:

- Fire extinguishers are provided in laboratories and passages in the department.
- Multiple exits in case of emergency are provided.
- Training for fire fighting equipment is also given.
- Fire extinguisher sand buckets are mounted in all departments.

Ambience:

The Institute is situated in a healthy and good atmospheric location. Infrastructure of the building has good aesthetic view. Academic ambience is enhanced by modern furniture, improved infrastructure and state of the art facilities in class rooms and laboratories. Class rooms and laboratories are designed with sufficient ventilation and light. Also classrooms are having step structure for better uniform dress code for equality among the students visibility of blackboard. Students have a
