5.3.2- Presence of a Student Council, its activities related to student welfare and student representation in academic & administrative bodies/ committees of the Institution. Describe the Student Council, its activities related to student welfare and student representation in academic & administrative bodies /committees of the Institution within 100 – 200 words.

The college has student council body works as a facilitate to between the students and the college and coordinates all the extracurricular, co-curricular activities and annual social Gathering of the college. Maintain overall discipline in the campus. Provides information to the students regarding various beneficiary schemes available at college & university level and campaign to create awareness regarding these schemes budgetary provisions are made in the annual budget to take care of all activities conducted by the student council. The council is formed under the guidance of Principal and the selection criteria are revised regularly on the basis of Merit and Attendance etc. The list of activities details are maintained with the coordinator. The Institute has student representation and participation has been an integral part of academics and administrative bodies. The objective behind keeping students in academic and administrative bodies is to understand the things from student's perspective and make them aware about the various processes through which college can maintain the transparency in the processes.

Student representations are in the following:

- Earn and Learn Scheme of MUHS
- Student Council
- Library Committee
- Sports activity
- N.S.S
